VICTOR:

I must be brief, but wanted to let you know that I'm still here and have been reading your messages avidly. The information you sent confirms your suspicion that Doty is impersonating Paul McGovern in the e-mail example you sent.

COMMENT: NO! It's also YOU! Wait until you see what I have to send you!

In order to put the nail in the coffin, though, I would like for Kelly Neff to elaborate on her contact with Doty. When did he first contact her?

ANSWER: I just called Kelly today before she went to pick up Bill from the airport at 5 p.m. CA time. She first spoke with Rick about 2-3 days

AFTER POSTING #12 on Tuesday, January 24, or the day after my friend contacted you on the 23rd.

That FIRST posting was sent to Bill in Europe from Rick's computer via encryption.

What exactly did he say his role was?

ANSWER: He said that YOU, Mr ANONYMOUS [who was really THE IMPOSTER] told him that you were UNhappy with my editing corrections to your material and that you were now changing moderators to Bill Ryan who was a "reporter" [would leave everything as is/no changes] and not like an "editor" which is what I am.

Did she retain any of the mailing envelopes or receipts that contained the information?

ANSWER: No. Rick told her that day that his superiors (were there really any?) did not want anything sent via the Internet and only via Fed Ex, so he asked Kelly when Bill would be home so he could Fed Ex it to her. Bill was home to receive and sign for all three (3) Fed Ex packages.

My superiors interest is piqued, but they require more evidence to show that Doty was (as WE suspect) acting quite alone in this little charade.

COMMENT: I disagree with you here. I THINK -- I DON'T know -- that Rick was acting on behalf of someone else -- THE IMPOSTER -- whom he might very well have believed was YOU -- and was simply carrying out the continuation of the AUTHENTIC "Project SERPO" documents.

Again, I ask you to look and examine all of the GOOD Rick has done in terms of UFO disclosure AFTER pulling a "fast one" on poor Linda Moulton Howe.

QUESTION: WHAT would his motivation be?

If there is more that you can send me; can you get any of HIS original posts?

ANSWER: After the single encrypted post, the next three (3) postings were sent on disks and all of those are in possession of Bill Ryan; Kelly was NOT home when the Fed Ex guy came around, else she told me today, that she would have sent them ALL to me!

My own would be helpful, but not vital, as I would illustrate the difference to my colleagues. My friend, we must act quickly.

COMMENT: Yeah, so what are you waiting for?! Let's have that public statement!

I expect that Bill Ryan and Rick Doty have another post planned for release prior to the Laughlin Conference that Bill Ryan intends to speak at.

COMMENT: Bill's represented "Project SERPO" VERY well, but he lacks the level of discernment that I do,... please note that I'm rarely discussed in online forums, discussion boards, etc. I ignore all of that crap.

Bill's become the topic, instead of SERPO!

We must have the evidence in place prior to Bill taking the podium, so that our release coincides with theirs -- we shall use their own pathetic attempt at showmanship to the detriment!

COMMENT: Well, this is all the evidence you may get for now, BUT I can write the release with you in such a manner that it leaves the clear impression that this was Satan's dirty work here!

One last thing -- can we enlist Ms. Neff's assistance?

COMMENT: Yes! But she said today that this is all she knows as of now and Bill is VERY "secretive" about SERPO (as if he's on a "spy" mission of some sort) even going so far as to peek over her shoulder when she's at HER computer in her own home!

If her statements could be made public through a source of MINE, perhaps we can stop the imposters COLD.

COMMENT: Her name CANNOT be made public; she wants her name OUT. However, I have a way of nailing it for you,... TRUST ME on this one,... you'll LOVE it! Just get that ----ing statement to me!

Let me know soon, as we must take the initiative without delay!

COMMENT: Yes. Bill came in about an hour ago at 5 p.m. in San Francisco and Kelly takes him to the airport on Sunday, 2-25-06 at 1:50 p.m.

SM

And if you could, please explain to me what information you had to arrive at my identity (which I may neither confirm nor deny

COMMENT: Which means you've "CONFIRMED" it; that's OK, I like you, and Scott nor I have NO intention of EVER revealing your ID to ANYONE, so R-E-L-A-X already, will you?! You're making ME nervous!

at this time for obvious reason, the least of which not being your protection

ANSWER: I learned of your identity on the basis of an e-mail sent to a small group called the "Team of 5" (myself, Dr. Green, Dr. Puthoff, Rick Doty and Bill Ryan) by Rick Doty, who said he learned of your POSSIBLE identity from two (2) DIA sources, who were 90% certain that YOU were ANONYMOUS.

ANALYSIS: This should alert you that Rick and two (2) DIA sources (at least in your own agency) knew early on (to 90% certainty, at least) of your identity, and it also clearly demonstrates that, although Kit, Hal and I also heard this, we are TRUSTworthy in that we have not told ANYone else.

Other short-list candidates were: Paul McGovern, Gene Lakes/Loscowski, B  
R Inman and Herb Milton (is he dead?).

Now, YOU have the full deck to deal from. As far as Bill is concerned, he's way too busy thinking of his next "Project SERPO" appearance to give it any further thought and being invited to DIA headquarters in DC

to appear with you is that he thinks about constantly,... this came from Kelly!

After Scott and I learned of your identity, we have NEVER brought it up to ANYone and Drs P & G and myself never bring it up. The "Team of 5" still exists, but Hal and I rarely ever respond now (since "Project SERPO" was hijacked) and when I do, it's just for "small talk" like to wish Bill good luck in Laughlin, NV as I recently forwarded to you.

P.S.: I would LOVE to take a class from you in in the "Center for Peace & Security Studies" someday,... oh well a burger and then a walk in the tidal basin in April will have to do to walk off those calories! Hope your burger joints are as good as ours! -
