WOW! I am FUCKING BLOWN AWAY! I mean it!

- 1) Do I have permission to stream the attached piece you wrote in its entirety by cut, copy and pasting thereby masking your identity?
 - 2) Are you saying that there is NO IMPOSTER nor ever was? In other words, it was Rick Doty and Rick ALONE acting this charade out?
 - 3) Are you saying that POSTINGS #2 - #11 were all Rick's doing, too, OR POSTINGS #1 and then POSTINGS #12 - #15 were all of Rick's creations?
- In other words, were POSTINGS #2 - #11 legitimate, yes or no?
- Was ANYthing authentic that Bill and I put out?!
- 4) LASTLY: Was there EVER in fact a "Project SERPO" that was all about a human-ET exchange program, yes or no?
 - 5) This is REALLY SAD!

Victor:

I do wish we could discuss this face to face over a burger, but well save that for another day. What I have to tell you may shock you, but its time that you were informed.

1 - The first post you received from anonymous traces back to the albuquerque area. The location where the mail message originates suggests that the sender was Rick Doty.

2 - It is almost certain that you were selected for you part in this operation because of your limited computing capabilities. Luckily, they underestimated you. I am pleased that you saved the most relevant messages.

3 - The messages purported to be from Paul McGovern originated from the same send as the anonymous messages.

4 - The threat email originated from the same sender as the anonymous emails.

5 - Rick Dotys emails ALL originate from the same sender as the anonymous emails.

6 - It wa Rick Doty who suggested to you that HE learned that anonymous was Dr. Gannon. I am NOT Dr. Gannon, nor his there any credible reason to believe that Dr. Gannon is, as has ever been, involved.

7 - ALL of the testimonials you posted in you Feb. 14 message came to you from Rick Doty and were missing any authenticating information to indicate that they were anything more than the fictitious creations of Mr. Doty.

8 - Rick Doty contacted Bill Ryan and switched the outlet to Bill with Bill advance knowledge and complicity.

9 - Rick Doty contacted Kelly Neff, draggin an innocent person into this and further aggravating an already tense situation between Bill and Kelly.

10 - ALL of the information on Serpo has come from Rick Doty, has been discussed publicly by Rick Doty, and all of the secondary information corroborating Serpo has been provided by Rick Doty.

11 - There was never another anonymous, my friend. This whole event has been the creation of Rick Doty, working with a dusty science fiction story that he probably wrote himself many years ago.

Thats it. There is no buzz at the DIA (who said there was? Yes, it was Rick Doty). There is no official disclosure coming through Rick at this time.

th
This travesty must end. The American people will NOT learn of disclosure in THIS way. The initial release may be through discrete, reputable sources such as yourself, but there will NOT be a Press Agent, a campaign of plausible deniability, nor will there be a messenger that contradicts his own information (as Rick Doty has done, when you compare the information he passed to his public statements).

Finally, you must be wondering who I am. Just remember my walks, my friend. I plan to take my first of the year in about 5 weeks. If all goes well, we will have more to talk about then.

In the meantime, I am counting on you to draw the curtain closed on this skit. And we will be watching closely.

This will be the last message you receive from this address. I will continue to monitor this mailbox for as long as is prudent. If you lose contact with, simply mention the cherry blossoms on your mail list and I will be in touch.

Casper
