CASPER:

You're online comments are VERY FUNNY! I wouldn't discuss your professorship too much; that reference to "M' street is TOO CLOSE to "N" Street for Georgetown Univ. Just my opinion.

OK, I spoke with Rick Doty this morning and told him everything you AUTHORIZED me to tell him. Bill is REFUSING to share any of that information with Rick, but instead MIGHT BE discussing it with guys named Jeneth, James and Wendelle Stevens!

In the meantime, Rick is hanging out with two (2) DIA guys named Ron Stewart and Robert Orwell (spelling?) and two other USAF guys,... THOSE are the type of guys that Bill should be hanging out with!

BOTTOM LINE: I told Rick to tell Bill NOT to disclose those POSSIBLY FAKED new documents when he delivers his speech today around 2:30 p.m. local time. Rick and Don Ware have promised to call me with an assessment of how he did and IF he disclosed those "new" docs to a jam-packed audience. The "secret" one is supposed to be a photo, but of what I do NOT know.

I work this afternoon during the presentation, so I'll e-mail you late
