This woman Val Hall-Springer-Allin runs a very influential online discussion forum at:

www.abovetopsecret.com/

where they have a HUGE "Project SERPO" thread; answer whatever you can for her and let me know WHEN I can make a PUBLIC ANNOUNCEMENT that "Project SERPO's" postings were "hijacked" by an imposter(s),... thanx.

Also, were the journal entries that comprised POSTING #11 on December 21, 2005 -- which is the last time I heard from you -- AUTHENTIC or not?

In other words, were those from the FAKE "Anonymous" or YOU? -

I'm going to go over it with you one more time because (for some odd reason) it's real important to me that you understand.

From Anonymous Posting 14 which came to Bill Ryan:

Team Commander 102

Assistant Team Commander	203
Team Pilot #1	225
Team Pilot #2	308
Linguist #1	420
Linguist #2	475
Biologist	518
Scientist #1	633
Scientist #2	661
Doctor #1	700
Doctor #2	754
Security	899

Taking this list (if it's not disinfo!!!) either 420 or 475 (the two linguists) has to be a woman (because in Anonymous Posting 2 he says (through you) that one of the women was a linguist), be a woman because in Posting 2 he says one of the doctors is a woman.

Okay, now let's look at what has been said so far...

In your "Anonymous Posting 11" the following statement was made:

"700 is eating it. He seems OK but it is upsetting his bowels."

That establishes one of the doctors as a man, so in order for the list above to be correct, 754 must be a woman.

But then in Bill Ryan's "Anonymous Posting 13b" the following statement was made:

"I asked 754 if he might understand what they were doing."

If this statement is correct, then the list above is wrong or vice versa, because now we have both doctors being identified as men.

Now concerning the linguists, in your "Anonymous Posting 11" the following statement was made:

"420 will try to use his language skills."

If the list above is correct, this means 475 must be a woman.

Victor Martinez <victorgm@webtv.net> wrote:

NOT worry, I WON'T share your e-mail with ANYone, but I'm confused on where the discrepancy MIGHT be though I understand where you're "going with this." I really do. Looks like you know this material better than I do,... I'm impressed!
